Teagle Machinery, a family business based in Cornwall, have been distributing high quality Flail Mowers in the UK from Italian manufacturer Berti for almost 20 years. Through a policy of continuous improvement and after sales support, Teagle and Berti have proven to be a winning combination in the UK forestry sector, supplying a substantial number of machines to an existing customer base which includes the MOD and Forestry Commission.

Contact us today to discuss your individual requirements - we have the solution.
